Dear Fellow Educator:

In the past you have indicated an interest in becoming a facilitator for Projects WET, WILD and Learning Tree. Enclosed with this letter is a registration announcement for the **Joint Project WET, Flying WILD and Project Learning Tree Facilitator Training** to be held at Windermere Conference Center on Hwy 54 at the Lake of the Ozarks.

There will be two different training sessions. The first session will train you to facilitate workshops for the Early Childhood modules in WET, PLT, and WILD. This training will begin at 3:00 PM on January 25 and conclude on January 26 at 10:15 AM. The second session will be the traditional K-12 Facilitator Training for WET, PLT, and Flying WILD. This begins at 12:00 PM on January 26 and concludes at 5:30 PM on January 27.

The \$75 registration fee (**NON-REFUNDABLE**) covers all meals, lodging and program materials for participants only. The lodging is based on two or three people (participants) per room—we'll make the reservations for you, but you are welcome to select roommates, if you have preferences.

Attendance at this training will certify you as a Facilitator for Projects WET, Flying WILD and PLT. Upon certification, Facilitators will be able to provide Project workshops of 6-hours to their colleagues, educators, and other interested audiences (3-hour workshops for Early Childhood). In addition, you will become a member of the Projects Facilitator Network and eligible for other professional development opportunities that may be offered. **We do ask that you have attended at least 2 of the 3 Project workshops (WET, WILD and/or PLT)** and that you plan on using your Facilitator training to host a workshop, help with an exhibit booth, or another Facilitator opportunity in your area. We realize that Flying WILD may be new and will be offering a Flying WILD workshop as part of this training. We will also be offering *Getting Little Feet WET* as part of the Early Childhood Training.

Enrollment is limited and on a first-come, first-served basis. Please fill out and return the enclosed registration form as soon as possible to ensure that you have a slot in the workshop. The **registration deadline is December 8, 2017**. Approximately 10 days prior to the workshop you will receive a letter and agenda to help you prepare for the facilitator training.

Sincerely,

Erica Cox
